VOLUNTEER EXPERIENCE

Jan 2020
•
Apr 2020

• Enrolled in City Studio course in the Department of Sociology at King's University College (Community-based work)

• As part of this experiential learning course, we partnered with the City of London's Child and Youth Network to develop a strategy to improve literacy rates and child well-being in our community

• Was responsible for developing a community profile of high risk neighborhoods in London based on a) child language and cognitive development scores on the Early Development Instrument, b) children under the age of 6 living in low-income households, c) the percentage of families headed by a parent without a high school diploma or equivalent degree, and d) newcomer populations.

• In collaboration with other students, we prepared a policy report outlining our recommendations for a literacy strategy involving the education and health care sectors in London

• Prepared a poster of our work and displayed it at the City of London's Hubbub, a showcasing event for all City Studio courses
